

FEATURES:

1 Electrical Test:

A. 250V AC max at 2 amps.

B. Dielectric with standing 500volts AC.

C. Insulation Resistance:500 megaohms.

D. Termination Resistance:35megaohms.

2 Mechanical:

A. Cable-to-Plug tensile strength-20LBs(89N) min.

B. Durability:500 mating cycles.

For Standard Wire
